

UCLA Advisory Board on Privacy and Data Protection

3-4:30PM Wednesday, June 6, 2007

3135 Murphy Hall

Agenda

1. Response to GAO survey (Kent and Jim) and continued build up of pressure to block or filter content by the RIAA and the MPAA (the review documents are attached. Please do not circulate).
 - Objective: Review response and determine any Privacy Board actions.

2. Initiate discussion and construction of Privacy Board positions regarding several building issues:
 - Campus wide host scanning
 - Network behavior analysis tools
 - Differences between virus and content scanning
 - Imminent evolution of P2P bots
